CHAIRMAN'S LETTER

The quest for 'MORE' is on!

Dear Shareholders,

'More Miles, More Moves', the theme of this Annual Report indicates a splash of positivity and outlines all new possibilities. We flagged off the Financial Year with a mission to overtake the shadows of pandemic. Together, we defined strategic plans, meticulously worked on the execution front, maintained the momentum and the results are paying off. We have witnessed an impressive increase in the sales and numbers are inspiring. We undertook a re-structuring process and the corrective measures helped us redefine the roadmap and reshape our perspective. This brought in a positive approach and added new dimensions to the growth story. I would like to thank all of you for this incredible team spirit. Your support and passionate endeavours has been instrumental in this growth journey!

Transforming India's E-transportation

Taking India's E-mobility to the next level, we launched Mobili & Energie, the passenger and cargo variants in the E-Three Wheelers Segment. Both Mobili and Energie are built with industry-leading European Technology, Advanced Telematics and Battery Management Systems (BMS). With our new electric additions, we aim to be technology leaders and provide intelligent, data-driven last-mile connectivity. Our advanced processes and infrastructure is the backbone of our business and empowers us to create and deliver world-class products.

These products ensure super safety with fire resistant battery. Advanced Telematics and tracking system help in offering customers remote maintenance reducing the downtime. Stylish design and utility features make it a truly Next-Gen offering. Robust platform, body structure and power lead to sturdy performance and unbeatable load carrying capabilities. We have initiated dealer appointment drive and soon these E-Three Wheelers will be available across India. Mobili & Energie have unfolded a new era of high tech e-mobility in India.

New Plant...New Possibilities!

Indian Economy is growing at an impressive pace. Various sectors have been witnessing a promising upsurge. This is leading to an increasing demand for the high performance last mile transportation. Keeping in mind these growing demands, we had initiated an expansion of our Manufacturing capabilities. We have established a new plant and it is fully operational now. This new facility features manufacturing systems with advanced technology. It has helped us increase our manufacturing capabilities. We are now well-equipped to cater to the rising demands.

Our Research and Development division had been analyzing the product performance and key measures had been taken on the vehicle feedbacks. We have upgraded our existing vehicles and delivered the output as per customer expectations. Robust feedback management system and technological advances help us keep our products updated and in line with the changing times. This ultimately results into customer satisfaction which our supreme motto.

The brighter way ahead...

Our journey in the current financial year has been truly inspiring. There has been an incredible rise on the sales front. New Launches and Upgrades in the existing product-line are leading us to a brighter way ahead. We are adding new business partners in our sales network. This will help us reaching out to the demands across all multiple states in India. Our Sales and Service Network is all set to take this growth journey to the next level with rising numbers and benchmark customer experience. Together, we all promise you a glorious way forward towards new horizons of progress, prospects and promising possibilities!

Looking forward to more miles...more moves!

Notes:

1. The Thirty Fifth Annual General Meeting ("AGM") of Members of Atul Auto Limited ("the Company") will be held through Video Conference ("VC")/ Other Audio Visual Means ("OAVM") in accordance with circulars dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021, December 28, 2022 as issued by Ministry of Corporate Affairs ("MCA") and circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and circular no. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023, issued by the Securities and Exchange Board of India (collectively referred to as 'AGM Circulars') without the physical presence of the Members at a common venue. In compliance with the provisions of the above MCA Circulars, the Companies Act, 2013 ("Act"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM on platform of National Securities Depositories Limited ("NSDL") for which detailed instructions are annexed to this Notice. Members attending the AGM through VC/OVAM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013. Since the AGM will be held through VC/ OAVM, the route map is not provided.
2. In compliance with the provisions of Section 108 of the Companies Act, 2013, Rules issued thereunder and the SEBI Listing Regulations, 2015, the business may be transacted through electronic voting system and the Company is providing facility for voting by electronic means ("e-voting") to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with NSDL for facilitating voting through electronic means, as the authorized agency. The person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on closing of September 23, 2023 i.e. cut-off date only shall be entitled to avail the facility of remote e-voting. The members may cast their votes on electronic voting system from place other than the venue of the meeting ("remote e- voting"). The Members attending AGM through VC/ OAVM who have not cast their vote by remote e-voting shall be eligible to vote through the same system during AGM till 15 minutes after the AGM is over. The detailed instructions for e- voting (including remote e-voting) are annexed to this notice.

The remote e-voting period will commence at 9.00 AM (IST) on September 27, 2023 and will end at 5.00 PM (IST) on September 29, 2023. The remote e-voting module shall be disabled by NSDL for voting thereafter.
3. The deemed venue for thirty fifth AGM shall be the registered office of the Company at Survey No. 86, Plot No. 1 to 4, 8B National Highway, Near Microwave Tower, Shapar (Veraval), Dist. Rajkot, Gujarat, India 360024 for all secretarial compliance and other purpose.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/ OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Corporate/ Institutional Members are entitled to appoint authorised representatives to attend the AGM through VC/OAVM on their behalf and cast their votes through remote e-voting or at the AGM. Corporate/ Institutional Members intending to authorize their representatives to participate and vote at the meeting are requested to upload necessary documents as per instructions for remote e-voting.
6. Members of the Company under the category of Institutional Shareholders are encouraged to attend and participate in the AGM through VC/OAVM and vote thereat.
7. An Explanatory Statement pursuant to Section 102(1) of the Act, in respect of businesses to be transacted at AGM, as set out under Item No(s). 4 to 6 above along with the relevant details of the Directors as mentioned under Item No(s). 4 to 6 above as required by Regulations 26(4) and 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ("the SEBI Listing Regulations") and as required under Secretarial Standards - 2 on General Meetings issued by the Institute of Company Secretaries of India, is annexed thereto.
8. The Board of Directors have considered and decided to include the Item No(s). 4 to 6 given above as Special Business in the forthcoming AGM, as they are unavoidable in nature.
9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under section 170 of the Act and Register of Contracts or arrangements in which directors are interested maintained under section 189 of the Act and relevant documents referred to in this Notice of AGM and explanatory statement, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send a request email to investorrelations@atulauto.co.in
10. The Register of Members and Share Transfer Books of the Company shall remain closed from September 24, 2023 to September 30, 2023 (both days inclusive) for the purpose of AGM.
11. In compliance with the AGM Circulars as referred above, Notice of the AGM along with the Annual Report 2022-23 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice calling AGM along with the explanatory statement and Annual Report 2022-23 are available on the website of the Company at www.atulauto.co.in/annual-reports.aspx, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“THE ACT”)

Item No. 4:

The Board of Directors on the recommendation of the Nomination and Remuneration Committee, appointed Shri Gurudeo Madhukar Yadwadkar (DIN: 01432796) as an Additional Director effective from August 11, 2023 who can hold office upto the date of forthcoming AGM. The Board proposed to shareholders the appointment of Shri Gurudeo M Yadwadkar (DIN: 01432796), as an Independent Director for a term of three years from August 11, 2023 to August 10, 2026.

Shri Gurudeo M Yadwadkar, being eligible in terms of Section 149 and other applicable provisions of the Companies Act, 2013, offers himself for appointment. He is not disqualified from being appointed as a Director in terms of Section 164 of the Act. The Company has received a declaration from him that he meets the criteria of independence as prescribed under subsection (6) of Section 149 of the Act and under the SEBI Listing Regulations. A Notice has been received from a member proposing him as a candidate for the office of Director of the Company. The Committee/ Board finds that he possesses the skills and capabilities required for the role and meets such requirements being experience in banking a finance industry. It is proposed to appoint him as an Independent Director for three years from August 11, 2023 to August 10, 2026. The remuneration to him in form of sitting fees shall be governed by the Remuneration Policy of the Company.

Regulation 25(2A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 requires passing of special resolution for the appointment of Independent Director. Further, it is stated as proviso to the said regulation that a special resolution for the appointment of an independent director fails to get the requisite majority of votes but the votes cast in favour of the resolution exceed the votes cast against the resolution and the votes cast by the public shareholders in favour of the resolution exceed the votes cast against the resolution, then the appointment of such an independent director shall be deemed to have been made under sub-regulation 25(2A).

A copy of the draft letter for appointment of Shri Gurudeo M Yadwadkar as an Independent Director setting out the terms and conditions will be available for inspection without any fee by the members at the registered office of the Company during normal business hours on any working day.

He does not hold by himself or together with his relatives two percent or more of the total voting power of the Company.

His brief profile, nature of expertise and the details required under 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard are provided as annexure to this Notice of AGM.

Accordingly, the Board is of the view that his association will be beneficial to the Company and the Board recommends the resolution in Item No. 4 in relation to appointment of Shri Gurudeo M Yadwadkar as an Independent Director for a term of three years for the approval of the members as a Special Resolution.

Item No. 5 & 6:

Khushbu Auto Private Limited (“KAPL”) is one of the prominent dealers of the Company’s products for more than three decades. Due to its strong marketing reach in various locations of Gujarat, the Company could maintain its top position in three wheeler industry in Gujarat. KAPL has network of more than 15 sub-dealers in Gujarat mainly located in the nearby districts of Ahmedabad. KAPL plays crucial role in building brand of Atul in Gujarat through its presence in Ahmedabad. The Company foresee the same business performance between Atul Greentech Private Limited, a Subsidiary of the Company and KAPL in respect of sales of L5 category electric three wheelers.

KAPL is run by relative/s of Shri Mahendra J Patel, Director of Atul Auto Limited and the shares of KAPL are held by promoter group of Atul Auto Limited. Hence, KAPL is covered under the definition of related party under section 2(76) of the Companies Act, 2013 and 2(1)(zb) of the SEBI Listing Regulations. Hence, the transactions between (i) the Company and KAPL (ii) Atul Greentech Private Limited, the subsidiary of the Company and KAPL are considered as related party transactions under regulation 2(1)(zc) of the SEBI Listing Regulations.

Further, pursuant to Regulation 23(4) of the SEBI Listing Regulations, transactions with a Related Party where the transaction(s) to be entered individually or taken together with previous transaction(s) during a financial year exceeds Rs.1,000 Crores or 10% of the annual consolidated turnover as per last audited financial statements, whichever is lower, would be considered as Material Related Party Transactions and such transactions require prior approval of the Members through an Ordinary Resolution.

KAPL’s share in total sales of Atul ranges from 7% to 10% of annual consolidated total revenue from operations of the Company in past few years. Considering the quantum of transactions with KAPL during the previous years, the business projections for coming years and the market/ industry trend, the Company expects that the aggregate value of transactions with KAPL would be in the range of Rs.50 Crore to Rs.80 Crores in FY 2023-24 by Atul Auto Limited and in the range of Rs.30 Crore to Rs.50 Crore by Atul Greentech Private Limited and may increase in near future year on year. The transactions will be in the nature of sale/ supply of vehicles/ chassis/ spares/ engines/ services/ payment of incentives, commission, warranty, sales promotion etc. Hence, approval of the Members of the Company is sought by way of an Ordinary Resolution for the transactions with KAPL for next five years.

Members are requested to note that the transactions between the Company and KAPL as well as between Atul Greentech Private Limited and KAPL would be in the ordinary course of business and at arm’s length basis.

Members are requested to take note that the Company is not entering into these transactions for the first time. KAPL is the authorized dealer of the Company for more than two decades. Till now, the transactions were done with omnibus approval of Audit Committee/ Board of Directors as it was within the limit of 10% of annual consolidated turnover of the Company. This time, due to higher business projections and recovery of the market/ industry, the sales to KAPL may cross the above said limit, beyond which

the approval of members are required.

23 of the SEBI Listing Regulations read with SEBI Circular dated November 22, 2021 on disclosure obligations in relation to Related Party Transactions is provided as under:

ANNUAL REPORT ON CSR ACTIVITIES

FOR FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to Section 135 of the Companies Act, 2013, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 [Including any statutory modification(s) or re-enactment(s) for the time being in force]]

1. Brief outline on CSR Policy of the Company.

The guiding principle behind our approach to see Corporate Social Responsibility is "Together We Grow". Through the CSR initiatives, the Company strives to provide equitable opportunities for sustainable growth, thereby aligning with our goal to build Atul Auto into an organization which maximizes Stakeholder Value. The Company engages in activities whereby business further contributes to make a positive and distinguishing impact on the environment, customers, employees, suppliers, and society at large.

Our CSR Policy focuses on Education, Health, Promotion of National Culture, Environment Sustainability and Eradicating Hunger and Poverty.

Eradicating Hunger and Poverty

India is the fastest growing large economy in the world today. Despite this, one in every five Indians is poor. The first consequence of being poor is hunger. The Company has aim to minimize hunger and poverty at best possible level. The Company's activities include distribution of free meals and other household things to poor people mostly children and women. It also includes support in disaster preparedness and rehabilitation activities like Reconstruction efforts through retrofitting, improvements, shelter construction and distribution of foods, clothes etc.

Education

In the area of education, the Company continues to focus on providing good infrastructure and equipment of learning whereby creating the platform to grow. The Company aims at making a positive impact on society through educational development directly and through its partners.

Health

With the growing population, sanitation and healthcare have become central to India's development agenda. By directing resources towards access to healthcare and hygiene, we look to support interventions that include Primary Healthcare Support, Free Medical Camps for Rural Communities, Setting up of Rehabilitation Centres, Yoga Centres, Development of Hospitals,

Provision of Mobile Medical Units and Ambulances, providing access to Safe Drinking Water, healthcare support through Localized Medical Camps, etc.

Promotion to Culture/ Art

Arts and culture do not only form our frames of reference, our ways of thinking and our relationships to the past, the present and the future but form also the pivot upon which humankind's development revolves. The Company contributes to setting up of handicrafts units, award ceremony which encourages people for promotion of their art and culture.

Environmental Sustainability

Environmental sustainability has now turned into the key issues for corporate economic growth, environmental management and community development. Ignoring environmental problems can lead to degradation and depletion of natural resources which could prove detrimental to both the corporate sector business and the society. The Company put their attempts to plant more and more tree nearby its vicinity and cleanliness.

Women Empowerment

Almost every country, no matter how progressive has a history of ill-treating women. In other words, women from all over the world have been rebellious to reach the status they have today. The Company focuses on betterment of women involved in prostitution. It is need of the day to create awareness against this in public, creating employment opportunities, providing education, giving guidance and counselling, establishing rehabilitation centre etc. so that they can become part of the society.

The Company belongs to the Saurashtra Region of Gujarat State. Saurashtra region comprises eleven districts of the state, Rajkot district is one of them where the Company is situated. The Company gives priority to this Saurashtra Region for CSR Expenditure.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY DURING FISCAL 2023

Global

During fiscal 2023, the global economy appears poised for a gradual recovery from the devastating effects of the pandemic and of war in Ukraine. China is rebounding strongly following the reopening of its economy. Supply-chain disruptions are unwinding, while the dislocations to energy and food markets caused by the war are receding. Simultaneously, the massive and synchronous tightening of monetary policy by most central banks should start to yield results, with inflation slowly going down. Although inflation has declined as central banks have raised interest rates and food and energy prices have come down, underlying price pressures are proving sticky, with labor markets tight in a number of economies. Side effects from the fast rise in policy rates are becoming apparent, as banking sector vulnerabilities are coming into focus and fears of contagion have risen across the broader financial sector, including nonbank financial institutions. Policymakers are taking forceful actions to stabilize the banking system.

Global growth is projected to fall from an estimated 3.5 percent in 2022 to 3.0 percent in both 2023 and 2024. Global headline inflation is expected to fall from 8.7 percent in 2022 to 6.8 percent in 2023 and 5.2 percent in 2024. For advanced economies, the growth slowdown projected for 2023 remains significant: from 2.7 percent in 2022 to 1.5 percent in 2023. About 93 percent of advanced economies are projected to have lower growth in 2023, and growth in 2024 among this group of economies is projected to remain at 1.4 percent. For emerging market and developing economies, growth is projected to be broadly stable at 4.0 percent in 2023 and 4.1 percent 2024. However, this stable average masks divergences, with about 61 percent of the economies in this group growing faster in 2023 and the rest - including low-income countries and most geographic regions growing more slowly.

Indian

According to the second advance estimates released by the National Statistical Office (NSO) in May this year India's real GDP growth for FY23 is placed at 7.2%, driven by private consumption and public investment. Economic activity remained resilient in Q4. Index of Industrial Production (IIP) expanded by 5.2% indicative of the strength of industrial activity. In the services sector, domestic air passenger traffic, port freight traffic, e-way bills and toll collections posted healthy growth in Q4, while railway freight traffic registered a modest growth. Purchasing Managers Indices (PMI) pointed towards sustained expansion in both manufacturing (56.4) and services in March (57.8).

A good rabi crop should strengthen rural demand, while the sustained buoyancy in contact-intensive services should support urban demand. The government's thrust on capital expenditure, above trend capacity utilization in manufacturing, double digit credit growth and the moderation in commodity prices are expected to bolster manufacturing and investment activity. GOI in the Union Budget 2023-24 increased total capex outlay by 33.0% to Rs.10 lakh Crore, 100 critical transport infrastructure projects, for last and first mile connectivity for ports, coal, steel, fertilizer, and food grains sectors have been identified. Budgetary allocation for MoRTH saw a 25% increase totaling to Rs.2.6 lakh Crore. The external demand drag could accentuate, given slowing global trade and output. Taking all these factors into

consideration, RBI has forecasted India's real GDP growth for FY24 at 6.5%.

The inflation trajectory for 2023-24 would be shaped by both domestic and global factors. The expectation of a record food grains production bodes well for the food prices outlook. The impact of recent unseasonal rains and hailstorms, however, needs to be watched. Crude oil prices outlook is subject to high uncertainty. Taking into account these factors and assuming an annual average crude oil price (Indian basket) of US\$ 85/barrel and a normal monsoon, CPI inflation is projected at 5.2% for FY24.

AUTO INDUSTRY

Indian Auto Industry sold 2.60 Crore vehicles in FY 2022-23 which was 2.32 Crore in FY2021-22.

Domestic Market

Total domestic vehicles sale increased from 1.76 Crore to 2.12 Crore vehicles in FY 2022-23 showing a growth of 20%. Within this, total Passenger Vehicle Sales increased from 30,69,523 to 38,90,114 units and the overall Commercial Vehicles sales increased from 7,16,566 to 9,62,468 units. Whereas 3W sales increased from 2,61,385 to 4,88,768 vehicles showing a growth of 87% and 2W sales increased from 1.35 Crore to 1.58 Crore registering a growth of 17%.

International Market

Due to global market disruptions on account of severe inflation, geo-political tension and forex issues, auto sales has been decreased from 56.17 Lakh to 47.61 Lakh, de-growth of 15%. Within this, total Passenger Vehicle Sales increased from 5,77,875 to 6,62,891 units and the overall Commercial Vehicles sales decreased from 92,297 to 78,645 units. Whereas 3W sales was most hit segment as the sales decreased by 27% from 4,99,730 to 3,65,549 vehicles and 2W decreased by 18% from 44.43 Lakh to 36.52 Lakh Units.

RESEARCH AND DEVELOPMENT

The Company has been strategically making required investment in Research and Development Activities. The main focus of the Company in sphere of R&D is on electric vehicle capable of providing the comfort that is being given by the alternate fuel three wheelers. The Company has also in the process of launching more models and variants in Alternate Fuel Three Wheelers with a capacity of 0.50 tonne on the back of a strong support of R&D.

The R&D team continues their efforts in developing cutting-edge technologies that are relevant for the near and long-term requirements of the Company's business plans. These developments are centered on customers, emerging mobility needs, providing advanced safety systems and sustainability. The Company continues to leverage global talent through several co-operations with Indian and global expert organizations.

Alternate Fuel 3W

The Company has been moving progressively into Alternate Fuel 3W (Petrol/ CNG/ LPG) space. As part of Company's commitment to make constant embellishments in its Alternate Fuel 3W space, the Company has been focused on improving its Alternate Fuel 3W in terms of comfort and economy in 0.35 tonne as well as 0.50 tonne segment.

Electric Vehicles (EV)

Backed with the rich experience in the three wheeler industry, the Company has ventured into the world of electric vehicles by launch of EV i.e. Atul Mobili and Atul Energie this year. Having confidence upon the models launched, the Board foresees this as a new era for the industry as well as for the Company. Considering the benefits provided under FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) and fuel costs, the Board believes in bright future of electric three wheeler and necessary developments are going into this segment. Further, AGPL has tied-up with Honda Power Pack Energy India and Valeo to develop the prototype Cargo and Passenger three wheeler with the most reliable Honda Mobile Power Pack e: Swap & Valeo powertrain system. This is considered as a remarkable step towards providing swappable battery solution in 3W segment.

OPPORTUNITIES AND THREATS

The whole automobile industry has been transforming towards greater safety and greener environment. Considering the importance of automobile industry to the economy, its potential for generating employment opportunities and its backward and forward linkage with several sectors, the Government is keen to support its development.

The BS6 OBD 2 norms were a big engineering change. The notification of the OBD norms splitting it into OBD 2A and 2B came in only in November 2022. The powertrain and vehicle configurations had to be adjusted to meet the new norms rapidly. Such changes increase the capital investment and increase the cost.

The Government is actively pursuing the plan for electrification of the vehicle fleet and has announced the benefits under FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) policy. The industry is gearing up for meeting this challenge on the technology and product fronts. Having required technology support and R&D strength, the Company is satisfactorily progressing to launch electric three wheeler with Lithium-ion battery.

With new range of Alternate Fuel 3W (Petrol/ CNG/ LPG) and recovery of economic activities upon disappearing COVID-19 impact, the Company expects to have deeper penetration in existing markets.

The strategic move by making Khushbu Auto Finance Limited, a Wholly Owned Subsidiary, is becoming helpful in having retail financing facilities to the customers of Atul and acting as a spirit to expand or strengthen the reach of the Company where the dealers were in need of the retail financiers to boost the business. When this finance arm is available, it would also become beneficial to EV from AGPL where the financiers may be reluctant in initial face.

RISKS AND CONCERNS

The geo political tension that emerged last year, though localized, had global ramifications. This situation remains persistent and unresolved. This issue hangs over the global economy and trade. Any escalation or delayed resolution would impact global liquidity, food and energy demand supply. These could adversely impact many low income and emerging markets. Even though the India story remains buoyant, the speed of growth may be impacted by global factors.

The global liquidity and inflationary trends could also lead to slowdown in private investments and consumption. These could

adversely impact the global economy and slow down the Indian recovery. The Indian urban consumption which has seen a smart recovery may be susceptible to challenges on liquidity, especially in the emerging start up ecosystem.

In international business, there is risk of slower than expected recovery due to currency depreciation, inflation, forex shortage and socio-political turmoil in select geographies.

The broader risk of supply chain disturbances is expected to be lower than previous years. However, some EV specific components may continue to face challenges leading to delayed service levels and impacted financial performance.

The Company manages a diversified, multi-source, global supply chain. Any new developments arising out of geo political strife, which impact the global supply chain, causing short-term or mid-term disruptions in the supply of essential raw materials or utilities could also have an impact.

The Company has repaid its term loan and become the debt-free, hence adverse externalities will affect less to the company.

Demand growth in India will need to be preceded by an improvement in consumer sentiment. The consumer sentiment index, though on the mend, is yet to recover to pre-COVID levels. This could be adversely impacted by slower than projected GDP growth. The consumption demand may also be impacted by persistent high inflation directly and by raising of interest rates by RBI to counter inflation. When a large section of the Indian three wheeler buyers rely on retail finance, any increase in cost of credit could impact Sales.

Monsoon still delivers majority of the irrigation needs of Indian agriculture. This year due to predicted El-Nino conditions if the monsoons are less than normal, this could significantly impact and delay recovery in rural demand further.

Additionally, three wheeler export industry is influenced by changing regulatory policies in some specific markets. Country specific retail prices may be adversely impacted by currency devaluations due to global inflation, supply disruptions and liquidity situation.

OUTLOOK

FY'23 has been a year which showed the revival in the economy and particularly in three wheeler segment. The Company could gain the business from the increased demand in the market post-covid and could be able to make its balance sheet positive.

While inflation continued to affect every one of us during the year, your Company was able to more than neutralize through better price realization on account of product-mix and increase in sale of diesel vehicles.

Auto Expo held at New Delhi in January this year provided a great opportunity to demonstrate the technological readiness for the future. Atul Mobili, a passenger 3W and Atul Energie, a Cargo 3W in L5 EV segment are launched by Atul Greentech Private Limited (AGPL). The Company is confident on these products to achieve the new milestones in emerging EV segment not only in India, but in international market, too.

The factors affecting the international markets are expected to move towards favorable to auto industry in coming year. This may boost up the business development attempts of the Company. The scrappage policy as well as increasing urbanization is seen to be

positive for the business.

Growth in fiscal 2024 and coming years is expected to be holistic, supported by following factors:

- i) Strong rural demand by favorable agri season
- ii) A pickup in urban consumption demand
- iii) Improving consumer sentiment
- iv) Increase in CNG dispensing units
- v) Extension of FAME II Incentives
- vi) Possibility of fuel prices remained moderated
- vii) Uptick in capex spends by the Central and State governments

The Company has been analyzing what has been happening in the economy specifically concerning the supply and demand, and taking steps to align the business with it to overcome the risk and grab the opportunity wherever it is available. The Company is also eyeing over the opportunity lying in three wheeler EV segment across the globe.

INDEPENDENT AUDITOR'S REPORT

On the Standalone Indian Accounting Standards (Ind AS) Financial Statements

To the Members of
ATUL AUTO LIMITED

Opinion

We have audited the accompanying Ind AS Standalone financial statements of ATUL AUTO LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss which also includes Other Comprehensive Income and Cash Flow Statement and the statement of Changes in Equity for the year ended, and notes to financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies

Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated in our Report:-

Sr. No.	Key Audit Matter	Auditor's Response
1. when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:-
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account. The company is having SAP system for maintenance of books of accounts through which Standard Trial Balance of both units(Shapar&Bhayla) is being generated and consolidated through the system.
 - d. In our opinion, the aforesaid IND AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.
 - e. The observations relating to the maintenance of accounts and other matters connected therewith are as stated in the Emphasis of Matter paragraph above.
 - f. On the basis of written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the managerial remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act, read with Schedule V of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
 - h. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - i. (a) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or

loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that

an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore reported as key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls for financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

We have audited the internal financial control over financial reporting of ATUL AUTO LIMITED ('the company') as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statement of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the company in terms of volume & capital expenditure an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

NOTES TO STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2023

(₹ In Lacs)

Background

Atul Auto Limited (the company) is a public company domiciled in India and situated at Shapar(Gujarat), incorporated on June 18, 1986. Its shares are listed on two stock exchanges in India - Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company manufactures and sales Auto rickshaws in domestic and overseas market.

The standalone financial statements were approved for issue in accordance with a resolution of the Board of Directors of the Company on May 20, 2023

1 Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

The financial statements are presented in ₹, which is also the Company's functional currency and all values are rounded to the nearest lacs (₹,00,000), except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Summary of Significant Accounting Policies followed by the Company

1.1 System of Accounting

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Use of Estimates, Judgement & Assumptions

- (ii) Estimates, judgements and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement.

- (a) Provision for warranty claims
(b) Valuation of employee benefits
(c) Provision for tax expenses
(d) Provision for expected credit loss
(e) Provision for after sales activities

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

1.2 Revenue Recognition

(A) Sales

- (i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is presented exclusive of Goods & Services tax. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.
- (ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period.
- (iii) Export sales are recognised on the date of the shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.

(iv)	Sale of Products:
	<p>The Company earns revenue primarily from sale of automotive vehicles, parts and accessories.</p> <p>Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.</p> <p>The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period</p> <p>The Company provides warranties for general repairs of defects as per terms of the contract with ultimate customers. These warranties are considered as assurance type warranties and are accounted for under Ind AS 37- Provisions, Contingent Liabilities and Contingent Assets Refer Note 34.</p> <p>Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the goods, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.</p> <p>The Company, on behalf of its customers (dealers and distributors), dispatch the goods to agreed locations for an agreed fee. The Company has determined that the performance obligation of the Company is to arrange for those goods and services (Company is an agent) to the dealers and hence the amount charged to the customer offset by freight charges paid to the freight service providers is shown as revenue and disclosed as other operating income or other operating expenses, depending upon the results of the offsetting.</p>
(B)	Export Incentives
	Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
(C)	Other Income
	The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.
1.3	Property, Plant and Equipment and Depreciation
(i)	Capital work in process, Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and impairment thereon if any. Freehold land is carried at cost of acquisition. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.
(ii)	Costs incurred to manufacture property, plant and equipment and intangible are charged to particular property plant & equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
(iii)	Land and buildings acquired/constructed, not intended to be used in the operations of the Company and held for earning long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, are categorised as investment property.
(iv)	Other Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.
(v)	Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences. Costs associated with the commissioning of an asset are capitalised where the asset is available for use.
(vi)	Depreciation and Amortisation methods, estimated useful lives and residual value
	On Tangible Assets
(a)	Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.
(b)	Useful life of assets are determined by the Management by internal technical assessments and such useful life is in conformity with Schedule - II of companies act. Depreciation on additions is being provided on pro rata basis from the month of such additions.
(c)	Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.
	The property taken under operating lease is depreciated over the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

(v)	<p>Impairment of Assets</p> <p>Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units).</p>
1.4	<p>Intangible Assets</p>
	<p>Product Development Cost</p> <p>Product Development Cost incurred on new vehicles platforms, variants on existing platforms and new vehicles aggregates are recognized as intangible assets and are included under fixed assets. These amounts are amortized over sixty months from the commencement of commercial production.</p>
	<p>SAP Implementation Charges</p> <p>Expenses incurred for implementation of SAP are recognized as intangible assets and are included under fixed assets. The amounts are amortized over sixty months from the implementation of SAP.</p>
1.5	<p>Investment Property</p> <p>Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.</p> <p>Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management, corresponds to those prescribed in Part 'C' Schedule II of companies act.</p>
1.6	<p>Investments, Financial Assets and Financial Liability</p>
(a)	<p>Other Investments and Financial Assets</p>
(i)	<p>Classification</p> <p>The Company classifies its financial assets in the following measurement categories:</p> <ul style="list-style-type: none"> * Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost. * The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.
(ii)	<p>Measurement</p> <p>At initial recognition, the Company measures a financial asset at its fair value.</p> <p>Fair value through Profit or Loss: Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds.</p>
(iii)	<p>Impairment of Financial Assets</p> <p>The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.</p>
(iv)	<p>Derecognition of Financial Assets</p> <p>A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.</p>
(v)	<p>Income Recognition</p>
	<p>Dividend</p> <p>Company recognises dividend in the statement of profit & loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.</p>
	<p>Interest Income</p> <p>Interest income from fixed deposits, corporate guarantee and from dealers overdue are recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.</p>

(b)	Financial Liability
(i)	<p>Classification as Debt or Equity</p> <p>Debt and equity instruments issued by the Company are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.</p> <p>An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.</p>
(ii)	<p>Initial Recognition and Measurement</p> <p>All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables.</p>
(iii)	<p>Subsequent Measurement</p> <p>The measurement of financial liabilities depends on their classification, as described below:</p> <p>Trade and Other Payable</p> <p>These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as current liabilities if payment is due within one year or less otherwise they are presented as non-current liabilities. Trade and payables are subsequently measured at amortised cost using the effective interest rate method.</p>
	<p>Derecognition</p> <p>Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).</p> <p>When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.</p> <p>Liability is classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.</p>
1.7	Foreign Currency Transactions
(i)	Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is Company's functional and presentation currency.
(ii)	On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.
(iii)	Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
(iv)	The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.
1.8	Inventories
	Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.
(i)	Finished stocks of vehicles are valued at cost of manufacturing or net realisable value whichever is lower.
(ii)	Raw materials, Stores, Packing Materials, tools and components are valued at cost arrived at on simple average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving items are valued at cost or estimated realisable value whichever is lower.
(iii)	Goods in transit are stated at actual cost incurred up to the date of Balance Sheet. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.
1.9	Research & Development Expenditure
	Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.
1.10	Taxation
	Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed

in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.11 Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Operating lease including Investment Properties

As a Lessor

The company has leased out its assets and such leases where the company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the statement of profit & loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the statement of profit & loss in the period in which they are incurred.

Under operating lease, the asset is capitalised within property plant & equipment and depreciated over its useful economic life. Therefore, Ind AS 116 does not have an impact for leases where the company is the lessor.

As a Lessee

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease. The Company's lease asset primarily consists of Building. The company assesses whether a contract contains a lease, at inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and

(iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases), and lease contract for which the underlying asset is of low value (low-value assets). For these short-term, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial measurement of the lease liability adjusted plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate of cost of capital. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable.

1.13 Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that

(i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and transfer to income in equal amounts over the expected useful life of the related asset.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

1.14 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.15	Cash and Cash Equivalents
	For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.
1.16	Employee benefits
	Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, and other terminal benefits.
(i)	Gratuity
	Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy and Debt fund of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability based on an independent actuarial valuation is recognised as a liability.
	The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.
	Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.
	The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.
(ii)	Provident fund contributions are made to Company's Provident Fund . The contributions are accounted for as defined benefit plans and the contributions are recognised as employee benefit expense when they are due.
(iii)	Defined contribution to superannuation fund is being made as per the scheme of the Company and recognised as expense as and when due.
1.17	Earnings per Share
	Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive and anti-dilutive potential equity shares.
1.18	Segment Reporting
	The company is engaged mainly in the business of automobile products. These, in the context of Indian Accounting Standard 108 on Operating Segment, as specified in the Companies (Indian Accounting Standards) Rules, 2015, are considered to constitute one single primary segment. Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker.
1.19	Borrowing Cost
	Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
	Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Notes :

- As per IND AS - 40 'Investment Property' assets which is held to earn rentals or for capital appreciation or both is treated as investment property
- Refer to clause 1.3 of notes to significant accounting policies
- IND AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease. The Company's lease asset primarily consists of Building. The right-of-use assets are initially recognised at cost, which comprises the initial measurement of the lease liability adjusted plus any initial direct costs less any lease incentives.

Fair Value

(₹ In Lakhs)

Particulars	March 31, 2023	March 31, 2022
Investment Property	193	345

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence, fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by the valuer vide report dated 27th June, 2017 and consequently classified as a level 2 valuation. For Bhayla (Ahmedabd) Properties the Purchase Value or the value as capitalized in the books of account has been considered as Fair Value.

Note - 40 Employee Benefits

a. Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined

benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would

occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

b. Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already

paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund. Amount recognised in statement of Profit & Loss is Rs. 277 lacs (Previous year Rs.229 lacs).

Note - 43 Fair Value Measurement

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows:-

Level - 1 Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.

Level - 2 The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity -specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.

Level - 3 If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

During the year under consideration there is no transfer between level 1, level 2 and level 3 hierarchy.

Financial Assest Measured at Fair Value Measurements Recurring:-

(₹ In Lakhs)

Level-I		
Financial Investment at FVTPL		
Investment in Mutual Fund	1,665	-
Level-II	-	-
Level-III	-	-
TOTAL	1,665	-

Valuation Techniques used to Ddetermine Fair Value :-

Mutual funds are valued at the price quoted in active market at the closing of reporting date.

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

Note - 44 Financial Risk Management Objectives and Policies

Financial risk management objectives

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's risk management is done in close co-ordination with the board of

directors and focuses on actively securing the Company's short, medium and long-term cash flows by minimizing the exposure to volatile financial markets. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The most significant risks to which the Company is exposed are described below

Risk	Exposure Arising From	Measurement	Management
Credit Risk	"Cash and cash equivalents, financial assets and trade receivables"	Aging analysis/ Credit Rating	Analysis of no. of overdue days and track record of debtors. Levy of interest on overdue balances of trade receivables
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable investments
Interest Risk	Bank Borrowing	External Benchmark Interest Rate	Maintaining lower level of leverage and negotiation with banker for interest rates
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable for import transaction	Sensitivity analysis	Export of goods shall be made after receiving payments from customer and in other case original Bill of landing is held by company till payment received.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by the finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counter parties

having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Reconciliation of Provision for Expected Credit Loss – Trade Receivable

Particulars	31-Mar-23	31-Mar-22
Loss allowance at the beginning of the year	567	524
Addition in loss allowance during the year	135	43
Loss allowance as at the end of the year	702	567

Liquidity Risk :-

The Company's sources of liquidity are cash and cash equivalent, cash flows that are generated from operations and the company also has short term borrowings in the form of WCTL. The Company has term current outstanding borrowings of Rs 3,214 lacs which was availed for CAPEX, where company have paid all installments

on time . The Company believes that it has sufficient capital to meet its current requirements. Additionally, the Company has sizable surplus funds invested in securities or instruments ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Interest Risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. Company currently has floating rate borrowings charged at EXIM bank one year MCLR + 260 bps, interest rate risk subject to change in benchmark rate, where benchmark rate is updated on yearly basis. Considering loan outstanding management estimates that it will not impact the company's financials as benchmark rate will not change significantly, hence the company perceives minimal interest risk.

Market Risk :-

Foreign Currency Risk

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (₹).

Open Exposure

The Company's exposure to foreign currency risk at the end of the reporting period is as follows:

INDEPENDENT AUDITORS' REPORT

On the Consolidated Indian Accounting Standards (Ind AS) Financial Statements
To the Members of ATUL AUTO LIMITED

Opinion

We have audited the accompanying consolidated Ind AS financial statement of ATUL AUTO LIMITED ('the Holding Company') and its Subsidiary (collectively referred to as 'the Company' or 'the Group') and its associate; (refer no. 1 to the attached consolidated financial statement) comprising of the consolidated balance sheet as at March 31, 2023, the consolidated statement of profit and loss (including other Comprehensive income), the consolidated cash flow statement and the consolidated statement of change in equity for the year ended, and notes to the consolidated Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements and other financial information of the subsidiary the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at March 31, 2023, consolidated profit, their consolidated cash flow and consolidated change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those

Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the consolidated financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Sr. No	Key Audit Matters	How our audit addressed the key audit matter
1.	Evaluation of consolidation process The Group's consolidation process is complex on account of its conversion of financial statements of NBFC subsidiary into Ind AS which were prepared under Previous GAAP. The consolidation process includes evaluation of the significant influence, alignment of Associate accounting policies with that of parent, and resultant tax adjustments which may require a high level of judgment.	We performed the following key audit procedures: <ul style="list-style-type: none">Assessed the design, implementation and operating effectiveness of key controls in respect of Group's process of consolidation and management's procedures for alignment of group accounting policies, consolidation adjustments, and the resultant tax impact;Read the underlying documents relating to significant group entities, including agreements to review the management's evaluation of significant influence;Tested the relevant general IT and applications controls over the consolidation process to confirm the appropriateness of the alignment of Associate accounting policies with that of parent; andEvaluated whether the methodology applied by management for alignment of accounting policies is appropriate by reading the accounting policies of the significant group entities and matching it with the Group's accounting policies.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and joint ventures audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and

using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the

disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. Our opinion on the consolidated financial statement and our report on other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditor and the financial statement/financial information certified by the management.
2. We did not audit the financial statement of an NBFC subsidiary company, whose financial statement reflect assets of Rs. 77 Lacs as at March 31, 2023; total revenue of Rs. 3,626 Lacs and net profit of Rs. 389 Lacs for the year ended on that date. These financial statements and other financial information have been audited by other auditor, whose audit report together with the financial statement, and other financial information have been furnished to us by the Management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of other auditor

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary and associate, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a. We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
- b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as appears from our examination of those books and reports of the other auditors.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated Ind AS Financial Statement comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. On the basis of written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A", and
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, read with Schedule V of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us;
- i) The consolidated financial statements disclose the

impact, if any, of pending litigations on its financial position in its financial statements refer Note No. 18 to the consolidated financial statements;

- ii) There are no long-term contracts including derivative contracts, hence the question of reporting any material foreseeable losses does not arise;
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

In Conjunction with our audit of the consolidated financial statements of Atul Auto Limited as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of the group, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting of the Parent, its subsidiary, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company and its subsidiary which are companies incorporated in India have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the group in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

Other Matters

Our aforesaid reports under Section 143(3)(l) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to three subsidiary company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India

(a) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Expected return on plan assets	7.28%	6.81%
Rate of salary Increase	7.00%	7.00%
Rate of employee turnover	for service 4 years and below 15% p.a. and above 2% p.a.	

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(b)Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund. Amount recognised in statement of Profit & Loss is Rs. 229 lacs (Previous year Rs.196 lacs).

Note - 41 Fair Value Measurement

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows :-

Level - 1 Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed Equity shares that have quoted price. The mutual funds are valued using the closing NAV.

Level - 2 The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity -specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.

Level - 3 If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

During the year under consideration there is no transfer between level 1, level 2 and level 3 hierarchy.

Valuation Techniques used to Determine Fair Value :-

Mutual funds are valued at the price quoted in active market at the closing of reporting date.

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

Note - 42 Financial Risk Management Objectives and Policies

Financial risk management objectives

The Company's management monitors and manages the financial risks relating to the operations of the Company. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's risk management is done in close co-ordination with the board of directors and focuses on actively securing the Company's short, medium and long-term cash flows by minimizing the exposure to volatile financial markets. The Company does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes. The most significant risks to which the Company is exposed are described below

Risk	Exposure Arising From	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Aging analysis/ Credit Rating	Analysis of no. of overdue days and track record of debtors. Levy of interest on overdue balances of trade receivables
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable investments
Interest Risk	Bank Borrowing	External Benchmark Interest Rate	Maintaining lower lever of leverage and negotiation with banker for interest rates

Contractual maturities of significant Financial Liabilities as on 31 March 2023 & 31 March 2022:

Interest Risk

Company has obtained Term Loan from Exim Bank. Interest Risk refers to change in interest rate due to change in benchmark interest rate in case of floating rate loan. As at 31st March, 2023 company's borrowing carries fixed interest rate hence, there will be no impact on the profitability of the company due to change in external benchmark interest rate.

Market Risk :-

Foreign Currency Risk

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. (₹)

Open Exposure

The Company's exposure to foreign currency risk at the end of the reporting period is disclosed further. The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by the finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Loss allowance at the beginning of the year	567	524
Addition in loss allowance during the year	142	43
Loss allowance as at the end of the year	709	567

Liquidity Risk :-

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Reasons for Variances

During the year group had received Rs 7,250 lacs on issue of share warrants which has been utilised for prepayment of term loan of Rs 3,571 lacs and balance amount is utilised for working capital. Hence DSCR and debt equity ratio of the company have increased

During the year company's revenue from operations have increased from Rs 31,542 Lacs to 51,312 lacs. Hence company is able to absorb its fixed cost and generate profit resulting in better net profit ratio, Return on equity ratio and on return on capital employed

Due to increase in repo rate during the year compared to previous year return on investment made by company in liquid asset & mutual fund has increased
